

Duck Delivery Produce Mobile Checkout App

Android & IOS

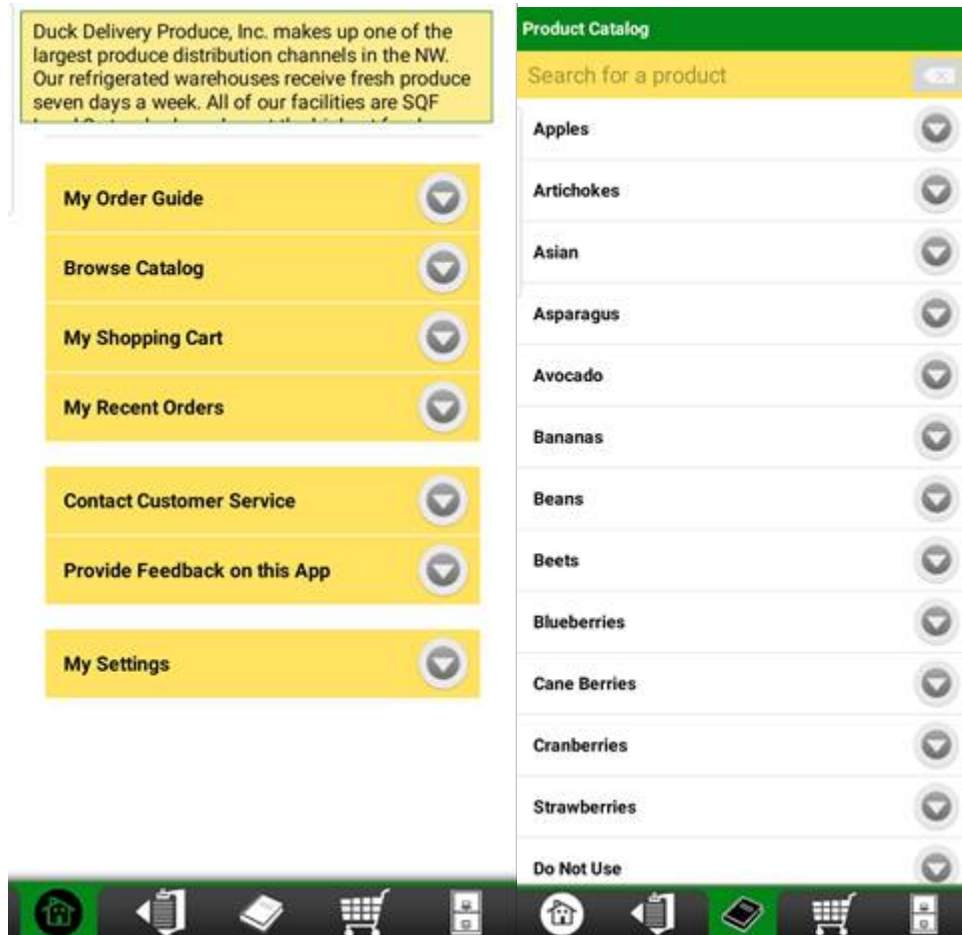

You can place your orders from anywhere.
In the kitchen, walk-in, parking lot or wherever you want!

If you have an existing online account with Duck,
you can log in using the same credentials.

If not, just call and we will get you set up!

Very simple and easy to use while giving you access to our full catalog of products.

Download now using the links below!

Android: <https://play.google.com/store/apps/details?id=com.producepro.checkout.duckdelivery>
